1.0 Executive Summary

This 2020 Annual Progress Report on the assessment of progress made in the implementation of activities outlined in the MTDP 2018-2021. It is an appraisal of progress made in respect of activities planned to be implemented by the Kadjebi District Assembly in its Annual Action Plan for 2020 and in further assessment of progress made in the achievement of specific objectives outlined in the District Medium Term Development Plan (DMTDP 2018-2021). The ultimate goal of the District Medium Term Development Plan 2018-2021 was to achieve an improvement in socio-economic development through the continuous development of social and economic infrastructure and the development of human capital whilst enhancing good governance. The policy measures of the "Agenda for Jobs:Creating Prosperity and Equal Opportunity for All" were for achieving the Goal.

This Progress Report is prepared from an assessment of status of indicators and targets adopted for monitoring and evaluating the achievements of activities/interventions earmarked for the 2020 Fiscal Year. It also documents key interventions implemented during the year to bring about the desired changes in the indicators.

The report is presented in Three Section. Section one presents an introduction which entails the summary of achievements and challenges with the implementation of the District Annual Action Plan for 2020, the purpose of the M&E activity for the year and Processes involved as well as the challenges encountered. Section two presents M&E Activity Reports which entails the Assessment of Program/Project Status, Updates on Funding Sources and Disbursements, Updates on Indicators and Targets as well as Updates on Critical Development and Poverty Issues. Also presented here include findings and recommendations on Development Evaluations conducted during the year and Findings on Participatory Evaluation conducted. Section Three is focused on key issues addressed and those yet to be addressed as well as recommendations for the way forward.

1

VISION STATEMENT

To Become the Best Managed Assembly That Creates Opportunities for Human and Natural Resources Development in Ghana

MISSION STATEMENT

The Kadjebi District Assembly Exists To Improve On The Socio-Economic Well –Being Of Her People Through The Provision Of Basic Social Services And The Promotion Of Sustainable Resource Development Within The Context Of Governance

This M&E reports covers period between July-September 2020. It measures the performance of 2020 Composite Annual Action Plan.

1.1.5 MONITORING AND EVALUATION OBJECTIVES FOR THE YEAR

- To determine the relevance and fulfilment of objectives, development efficiency, effectiveness, impact and sustainability
- To assess whether sustainability issues are being addressed
- To determine whether transparency and accountability systems are adequate and effective in identifying corrupt practices
- To assess whether projects and programmes are likely to contribute to the achievement of the overall objective
- To determine whether projects, strategy and objectives remain relevant to the needs of beneficiaries
- To assess whether projects and programmes remain consistent with and supportive of current policy and programme priorities

1.1.5.1 Processes involved and difficulties encountered

The District Monitoring and Evaluation exercise was preceded by a DPCU meeting to discuss and agree on the focus, tools and expected outcomes of the M&E and to develop an M&E Work Plan and Budget. A working team of the key stakeholders was formed including the following:

- 1. District Development Planning Officer
- 2. District Budget Analyst

- 3. District Works Engineer
- 4. District Director of Ghana Health Services
- 5. District Director of Education
- 6. District Director of Agriculture
- 7. Rep. of Civil Society Organization
- 8. District Finance Officer
- 9. District Procurement Officer

These key stakeholders visited project sites and collected relevant data in order to measure progress of project implementations against planned targets. A report is then given to other stakeholders to inform them about issues identified *Processes involved*:

- Assessment of the DMTDP to see if developmental targets were met
- Identification of the achievements, constraints and failures which helped in the improvement in the projects designed to achieve better impacts
- Strategies were put in place to improve service delivery which influenced resource allocation in the District.

CHAPTER ONE

1.0 INTRODUCTION 1.1 PROFILE

Kadjebi District Assembly was created as an Assembly by Legislative Instrument (*L.I.*) 1465 in 1989. After being carved out of the Jasikan district councils. Its capital Kadjebi is located about 117km from Ho the regional capital and 272km from Accra the national capital. The district has a population of 59,303 with 29,951 males and 29,303 females representing 50.51% 49.49% respectively.

Kadjebi District is one of the Twenty –five among the two hundred and thirty seven administrative districts of the Volta Region and Ghana respectively. It has a land area of 949km². And lies within longitudes 0.15E and 15.35W and latitudes 7.45N and 6.15S located in the south of the northern belt of the Volta Region of Ghana and forms part of the six (10) northern districts of the Region. It is bordered to the North by the Nkwanta District, to the South by the Jasikan District, to the West by Karachi East. Kadjebi district has Ghana's International border with the Republic of Togo to the east. The strategic location of the district promotes cross border activities with the republic of Togo.

The 2018–2021 Medium Term Development plan has been prepared in response to the New Planning system, that is National Medium-Term Development Policy Framework 2018-2021 (NMTDPF) which seeks to support and anchor the Government's Decentralization Policy by encouraging a bottom – up approach for achieving grass root participation in planning and decision making. It is also prepared in responds to Sustainable Development Goals (SDG) and Targets. Programmes and projects in 2018–2021 Medium Term Development plan are designed towards meeting the protocols of both NMTDPF and SDGs

Within the period under review 2No. 3unit classroom blocks have seen appreciable improvement towards completion, construction of fire/ambulance bay have seen appreciable improvement towards completion and non-physical programmes carried out as detailed in table 2. These achievements represent Fifty Seven percent (57%) and Fifteen percent (15%) of 2020 AAP and DMTDP (2018-2021) respectively. Some few challenges during implementation of the plan includes: Weak linkage between implementation of Approved Plans and Budget Allocation, Ineffective Sub-structures to aid in IGF mobilization, Low levels of Internally Generated Fund, Untimely release of Central Government funds, Award of contracts at Central Government level without the direct involvement of the Assembly, capacity gaps.

1.2 Purpose of End-Year Evaluation Report:

The main purpose is to track the process and access the impact of implemented programmers and projects in the District Development Plan (DDP) on specifications and targeted beneficiaries. It also help to access whether or not the developmental goals, objectives and bench marks have been met in Annual Composite Action Plan performed from the MTDP of Kadjebi District Assembly. It is to mark out achievements, constraints and challenges to improve in service delivery and resource allocation. It's also to access stakeholder involvement including governmental agencies, development partners, the opinion leaders, traditional activities in the District development process and also helps in the creation of database to guide monitoring and evaluation process. It's also to assist DPCU to measure progress towards achievement of the DMTDP goals and objectives in a structured way. It is to ensure all physical projects are completed on time with all the specification in the contract terms observed. Particular attention was on time, because most of the Assembly's projects have exceeded their expected completion period.

1.3 Processes involved

The preparation of the Progress Report was participatory, in that, stakeholders such as Assembly Members, Traditional Authority NGOs and Heads of Department took part. Series of meeting and working sessions were held with stakeholders and heads of the Decentralized Departments in the district on progress of plan implementation in their sectors. Data were collected collated and analysed from the decentralized department for the report. A draft report was first prepared and a validation meeting was conducted with stakeholders such as the heads of department agencies and the central administration for validation. Comments that came up were incorporated into the report.

1.4 Challenges Encountered

There were challenges encountered in the preparation of the report; some of which were:

- Generally data used to prepare this report were obtained mainly from site inspection, monitoring visits, town hall meetings, sectors, departments and agencies, and their understanding gap in monitoring is not too good.
- ♣ Inadequate funds to carry out monitoring and evaluation activities on planned projects and programmes

- ♣ Inadequate of vehicle within the Assembly to serve the DPCU in its monitoring, evaluation and inspection activities
- ♣ Lateness and absenteeism of some heads of decentralized departments, agencies and centralized departments in attending DPCU meetings.
- Failure of some departmental heads to prepare and submit their quarterly reports.
- ♣ Late submission of quarterly reports from the departments (both decentralized, agencies and central administration).
- **♣** Capacity gaps in PM&E and Evaluation
- Corruption perception on the part of major stakeholders

CHAPTER THREE

3.1 Key Issues Addressed

- 1. Award of 3 No. 3 unit Classroom Block, Headmaster's office Staff Common Room and Computer Lab at Kadjebi, Ahamansu and Dodo Amanfrom
- 2. National farmers day Celebration
- 3. Monitoring of Election 2020
- 4. Rehabilitation of Market Sheds at Dodi Papase

3.2 Issues Yet To Be Addressed

- 1. Serious under staffing of critical Units and Departments of the Assembly
- 2. Completion of Kadjebi Slaughter House
- 3. Improved Revenue Generation to fund critical activities of the Assembly

3.3 Way Forward

- 1. Prompt release of funds for key programs and projects to be completed.
- 2. Strict compliance to Annual Action Plan and Budget to ensure at lest 80% implementation of Planned Programs and Projects.
- 3. Replacement of critical staff of the Assembly will go a long way in achieving set organisational goals and targets.
